**AMENDMENTS**Dear Sir:

These items listed are in response to the latest Office Action for  
Application: 10,679,075

**Remarks/Arguments and Considerations for allowance:** are on pages 1-13

**Amendments to the Claims:** are reflected in the listing of claims section in (*separate*)  
pages 1-13

**Declaration:** 37 CFR 1.132 from Engineer is attached for reasoning over 102 and 103  
rejections regarding the unobstructive structural support for the photovoltaic carport.

**Declaration:** for Exhibit D: shows reduction to practice regarding photovoltaic canopy  
and artificial light layer regarding composition of matter and it's functionality thereof.

**Declaration:** Dr. Charles Forbes Declaration is contained in the **File Wrapper** of this  
application and lists all the reasoning as to why "none" of the former cited patents alone  
or in combination teach the claimed inventions composition of matter and unique  
functionality .

**Amendments to the drawing:** is enclosed for clarification purposes which were  
previously drawn but not shown that well.
